The Community Mussar Program provides a practical and accessible introduction to the transformative teachings and practices of Mussar, based on the book *Everyday Holiness* by Alan Morinis.

These programs go beyond self-help, and provides an authentic Jewish pathway toward fulfilling the potential of your higher nature, the soul. Through contemplative practices, small group discussions, chants and reading you will be shown a path to transform your inner world so you can find more balance and wholeness in all areas of life. Mussar is suitable for all, regardless of level of Jewish knowledge and no Hebrew is required.
