THE MUSSAR INSTITUTE

The Mussar Institute (TMI) welcomes gifts made to TMI through a Will, a Trust, and/or a beneficiary designation for a retirement plan or a life insurance policy. Your planned gift will enable TMI to continue to bring the study and practice of Mussar to individuals, organizations, and communities around the world.

If you have made a planned gift by naming TMI as a beneficiary in your Will, Trust, Retirement Plan and/or Life Insurance Policy, you are eligible to be a member of The Mussar Institute's Legacy Society: Chesed L'Dorot – Lovingkindness for the Generations. The Legacy Society acknowledges its members publicly at least annually in one or more publications and provides other benefits during each year.
