

VA'AD THREE

SEEKING SHALOM INSIDE AND OUT

**During this 75-minute *va'ad* session,
your facilitator will guide you in taking your learning home.**

1. In what way has this Kallah experience enlightened your perception of ways to cultivate greater peace, inside and out?
2. How might these lessons inform the way you interact with others and in the world?
3. In general, how has the Kallah been for you? Which experience was most meaningful and why?
