WALKING THE PATH OF TRUTH

During this 75-minute *va'ad* session,
please reflect on the following:

1. In what way has this Kallah experience enlightened your perception of ways to cultivate greater Truth / *Emet*, inside and out?

2. How might these lessons inform the way you interact with others and in the world?

3. In general, how has the Kallah been for you? Which experience was most meaningful and why?
