KALLAH 2023 SOCIAL HOUR
MONDAY, JANUARY 30TH, 6:15-7:15 PM (ET)

TMI CHAVERIM HUMAN BINGO – WHAT YOU NEED TO KNOW!

Please join us for an hour of light fun with a getting-to-know-you game of CHAVERIM HUMAN BINGO – low stress and no previous experience required!!

To Do in Advance:

- Be sure to participate from a desktop or laptop computer; you may have difficulty moving in and out of breakout rooms from a tablet or iPhone.
- You will find a link to the appropriate bingo card pdf on your Monday (1/30) ticket page.
- Please download and print out the BINGO GAME CARD that corresponds to the first initial of your LAST NAME (i.e., Copes-Finke = C).

Here's what you need to know:

1. We have designed eight different randomized game cards with 6 rows and 6 columns each. Each card has one randomly placed Free Space, (or "*Makom Chofshei*" in Hebrew).
2. Each of the squares on your game card has different personal details, such as "Has a dog" or "Loves poetry" or "Journals daily."
3. The objective of Chaverim Human Bingo is to interview people to find matches to the personal details on your cards, and to get to know members of our community! You win if you're the first to get matches that form a "line bingo" of 6 squares in a row that are either vertical, horizontal, or diagonal *without duplicating names*.
4. When play begins, we will divide you up into random breakout groups of no more than 10 people and give you 9 minutes to interview each other to find as many matches as you can on your game card and will then bring you back to the full room before sending you back out to another breakout room. We will repeat this at least 3 times with three more random breakout groups of not more than 10 people to give you a chance to meet new people and match more squares!
5. We're giving out several prizes today: 1) the first place prize is a free TMI course of your choice, 2) the second place prize is a personally signed collection of Alan Morinis' books, and 3) the third

Merging Into One: Loving Self, Others and The Divine

place prize is a collection of MussART designs by our own Miriam Goodman, a spiritual guide, facilitator, and outstanding artist. We also are offering three “runner up” prizes of a 25% discount on a TMI course of your choice.

6. In the case of an apparent tie, Rivka and Leslie will consult and determine who was the first person to leave their breakout room, show up in the group room, and announce “bingo”.
7. The winners will be officially announced at 8:00pm on Monday night following that evening’s keynote address, and the winning prizes will be distributed promptly following the Kallah.

A Few Key Game Reminders and Rules to Ponder:

- “Kavod/Honor” Code Applies, with honest answers, compassionate interaction, and respectful competition.
- As soon as you get a “yes” match, **make sure to write the name of the person** who matched in that square – you will need the name to qualify for a win!
- Your winning 6 square “line bingo” must have 6 *different* people in each of the squares!
- When you get bingo, **leave the breakout room immediately*** and let Rivka and Leslie know. We will then send a message to all the breakout rooms to let everyone know that BINGO (#1, 2, 3) has been won.
- ***INSTRUCTIONS FOR HOW** to leave the breakout room and join the main session: Click Breakout Rooms in your meeting controls. This will display the list of open breakout rooms created by the host. **Click Leave Room** to return to the main session.

THE MUSSAR CHALLENGE?

How will the breakout groups share space respectfully and efficiently to optimize everyone having a chance to ask questions and provide answers?
